Workday

Workday is a platform that Georgia Tech uses to process financial transactions, which includes items such as conference travel and reimbursement, or ordering supplies.

You can access trainings for these processes through the Genius Learning Management System (LMS):

1. Go to [Genius LMS](#).
2. Click "GT Login" and use your GT Login (if not already logged in).
3. Click "View Course Catalog".
4. Search for the name of the training you want to take.
5. Click the green "Register" button on the card of the class you want to take.
6. Click "Proceed to Checkout" at the top right of the page.
7. Click "Confirm", then "Go to Dashboard".
8. Click on the name of the course (in the "Active Courses" box).
9. In the new window, if you see multiple courses, click on the one you wish to take.
10. To get started, click "Modules" link on the left navigation menu to begin the selected training.

Depending on your responsibilities, potential trainings might include:

- **OneUSG Connect Introduction to Employee Self-Service (ESS):** You will learn basic ESS concepts, processes, and transactions, such as: logging into the system, changing address, changing personal information, viewing and downloading your paycheck, and many more.
- **OneUSG Connect Absence Request in Employee Self-Service:** You will learn the processes, and transactions related to Leave and Absence, including but not limited to: viewing absence/leave balances, viewing extended absence history, submitting absence request, editing submitted absence request, viewing forecast leave balances, etc.
- **Workday Overview and Basics:** This course is designed to give an overview of the general functions Georgia Tech is using in Workday.
- **Workday Procurement:** This course will focus on how to create requisitions, how to locate the status of your requisition or purchase order, how to request a change order, and how to create receipts.
- **Procurement Policies and Procedures:** This course will take users through policies and procedures related to purchasing items at Georgia Tech.
- **Travel Expense Training (e.g., conference travel):** The course will provide an overview of how to create, view, edit and cancel Spend Authorizations for travel in Workday, a summary of Expense Preparers preparing complex expense reports, understanding expense line items, preparing non-trip expense reports, and understanding Workday Reporting. This course will also provide the Fundamentals of Travel Policies and Procedures.

Submitting Vacation and Sick Time

At some point during your time at Georgia Tech, you will likely take [time away from work](#). You can view the [sick leave policy](#) and [vacation policy](#) for employees for additional details.

To submit an absence request:

1. Go to [OneUSG Connect](#).
2. Click "Georgia Tech" and use your GT Login (if not already logged in).
3. In the Employee Self Service window, click "Time and Absence".
4. Click "Request Absence".
5. Choose the appropriate Absence Type and Absence Name (e.g., Sick, Vacation).

6. Indicate the appropriate Start Date and End Date.
7. Duration can be 8.00 hours, or under “Partial Days” you can choose “All Days” or “Start Day Only” if you worked part of the day.
8. Click “Check Leave Balance” to determine if you have accrued enough hours.
9. Click “Submit”.
10. The request will then be sent to your supervisor for approval.

The following list contains contacts that you may need during your postdoctoral experience at Georgia Tech.

Emergency Services

[Georgia Tech Police Department](#)

- Phone: 404-894-2500
- *On campus landlines only*, you can dial 4-2500 or 911
- Call to report emergencies that require police, fire, and/or paramedics

Family Accommodations and Support Groups

[Work-Life Programs \(Human Resources\)](#)

- A variety of information to support your family life, such a summer camp resources, childcare, and lactation centers

[Employee Resource Groups](#)

- Find community with employees from similar backgrounds

Health and Well-being

[Employee Assistance Services](#)

- Phone: 1-844-243-4440
- Offers no cost counseling and work/life balance assistance to employees and their family members

[Wellness Empowerment Center](#)

- Phone: 404-894-9980
- Health and well-being educational programs, events and workshops, nutrition counseling, and sexual violence prevention, education and response

[GT Health Services](#)

- Phone: 404-894-1420
- As employees, postdocs have access to the flu clinic, pharmacy, and allergy, immunization, and travel clinic; other services are for students

[COVID-19 Resources](#)

- Stay informed about information and resources related to Covid-19

Human Resources (HR)

Human Resources (Employee)

- Phone: 404-385-1111
- [Benefits](#)
- [Global Human Resources](#) (tax resources for international scholars)
- [Be Well Series](#) (workshops and resources for social, emotional, professional, and spiritual well-being)

Office of International Education International Student and Scholar Services

- General questions: info@oie.gatech.edu
- Onboarding and visa process for international scholars is managed through the [iStart system](#)
- Information for [J-Scholars](#), and [upcoming orientation events](#)
- [Spouse and family resources](#) (e.g., cultural transitions, international spouse support group, language institute)
- [International Spouses of Georgia Tech](#)

Research Training

Responsible Conduct of Research

- Required for postdocs who are funded by NIH and NSF grants only
- Provides training on topics such as research misconduct, avoiding plagiarism, etc.

Biological Safety

- Phone: 404-894-6120
- Biosafety Officer: Kristy Jennings

Environmental Health & Safety (EHS)

- Phone: 404-216-5237
- Provides 24/7/365 emergency response
- Take their [Training Tool](#) to determine what training to complete based on your research

EHS Shipping & Receiving

- For chemical and biological shipments

Hazardous Waste

- Phone: 404-385-0821
- Hazardous Materials Manager: Bogna Grabicka

Institutional Animal Care and Use Committee (IACUC)

- Phone: 404-385-2083
- Director: Mary Beran

Institution Review Board

- Phone: 404-894-6942
- Director: Melanie Clark

Lab & Chemical Safety

- Phone: 404-385-9531
- Cell: 404-516-0238
- Lab & Chemical Safety Manager: Ryan Lisk

Radiation Safety

- Phone: 404-894-3621
- Cell: 404-234-4360
- Radiation Safety Officer: Steven Grimm
