Welcoming a child can be a very exciting and stressful time for a family.

One initiative of President Peterson's Family Friendly Task Force is to ensure there is work-life balance to support growing families.

The Institute is in full support of taking time to bond with your new child.

FAMILY MEDICAL LEAVE ACT (FMLA)

FMLA is a federal law which allows for up to 12 weeks of job-protected, unpaid leave in a 12-month period for birth or adoption of a child to eligible employees.

To be eligible, you must have at least one year of service and have worked 1,250 hours in the 12 months preceding your leave.

Why is FMLA Important?

- FMLA gives you the right to return to the same or equivalent position you had before going on leave
- Your benefits are maintained
- You are protected against adverse action or discrimination
